

The Show-me Ratemaker Workshop

Registration form for 2003 Workshops (General Sessions)

**Fee: \$30 for the first representative from a community or organization
\$15 for each additional representative from that organization**

Join us and learn how to analyze and fix your sewer and water rates using the Show-me Water and Sewer Ratemaker programs. Find out how easily you can analyze and adjust rates using this unique Microsoft Excel-based software program developed by the Missouri Department of Natural Resources' Environmental Assistance Office.

Who should attend the Show-me Ratemaker workshop?

- Anyone who sets rates or makes decisions that affect the finances of water or sewer systems;
- Anyone who provides technical assistance and financing for water and sewer systems;
- Anyone who does user charge related work for a regional planning commission, grant writer, financial consultant or consulting engineer; and
- Any staff person from agencies and organizations of other states who want to support Show-me software users in their states. (Or, you can request that we do workshops in your state for you.)

What about registration? The registration form can be found on the back of this page. Simply fill in the appropriate information and mail your registration form, along with the payment, to us at the address listed in the box. Lunch and break refreshments are included in the registration fee. We need to know how many people to expect so the food services and room set up will be right. Some sessions will probably fill to capacity. Please register as soon as you can, but not later than seven days before the day of the session you choose. You may cancel and receive a full refund if you notify us earlier than seven days before the day of your session, or you may attend a future session. If you need special accommodations, call us or note it on your registration. We can probably accommodate your needs.

When and where will the sessions be held?

All sessions start at 9 a.m. and conclude at 3:30 p.m.

February 20	<u>Sikeston:</u> At the Ramada Inn, 2608 E. Malone. Take exit 67 off of I-55 and go ½ mile west on E. Malone Avenue (Route 62). The Ramada is located near the intersection of E. Malone Avenue (Route 62) and State Routes H and AA.
